FEEL THE POWER OF TOKEN

Each token empowers its holder with voting rights in governance decisions, elections, and community initiatives, ensuring everyone has a voice in shaping the republic.

Banana Republic is founded on the belief that every token holder should have a voice in shaping the Republic's future.

We empower citizens to lead, collaborate, and make decisions that benefit the entire community through:

Supreme Council and Committees

Every citizen can vote on representatives who form our Supreme Council, which oversees key decisions.

On-Chain Voting

Governance decisions, from policy changes to community proposals, are put to a public vote.

Proposal System

Every citizen has the right to submit proposals, initiate discussions, and advocate for their ideas.

You're an integral part of our ecosystem,
and as a member of the republic, you receive multiple perks
